Below the surface, you will find that there is much more to swimming pools than meets the eye. The Pool and Hot Tub Alliance (former NSPF®) Certified Pool Operator® Certification Course **provides a wealth of information to anyone involved with pools.** On behalf of Pool Operation Management, you will receive essential training along with other valuable information and resources.

In over 45% of the USA, *state law mandates a pool operator at all pool facilities in New Jersey, New York, Massachusetts, Maine, Maryland, West Virginia, Delaware, the District of Columbia, and several counties in Pennsylvania and Virginia.* To achieve the highest level of quality training, you should rely on a team of award winning experienced professionals...

### POOL OPERATION MANAGEMENT

To improve your facility or business, we invite you to join the thousands of others who have made POM the first choice for all pool operation needs.

POM has been teaching pool training courses throughout the U.S. for over twenty years. Our name has become synonymous with the highest level of quality and excellence in training in the pool industry.

**NOW** is the time to be trained by a licensed professional instructor. We offer many classes at a variety of convenient locations. Additional CPO® certification courses may be scheduled at your location and at your convenience.

### FEES

**\$320 – Early Registration** (includes shipping of Pool & Spa Operator™ Handbook prior to class)

**\$345 – Late Registration** (within 2 weeks of class, handbook received at class)

**\$365 – Early Blended Training** (online & classroom training, handbook shipped only in early period)

**\$390 –Late Blended Training** (online & classroom training, handbook received at class)

This is a two day course with an open-book, open-note exam given on the second day. You need a score of 75 percent to pass. The topics covered include:

- State and federal regulations
- Liability and risk management
- Filtration systems and recirculation
- Pool chemistry and calculations
- Water sanitizing and testing
- Maintenance and troubleshooting
- Renovations
- Management and personnel
- Spas, hot tubs and seasonal pools
- Energy conservation
- Disease and accident prevention

### OUR COMPANY'S HISTORY

- Expert Review Panelist for Pool & Spa Operator™ Handbook
- National Consultants & Expert Witnesses
- NSPF® National CPO® Certification Advisory Committee
- NSPF® National Training Staff
- NSPF® Advanced Service Technician (AST™) Instructor and Trainer
- APSP Education Committee
- Pool and Hot Tub Alliance (former NSPF® and APSP) Education Task Committee
- NESPA Education Committee
- NESPA Professional Training Coordinator
- Panel Members for the New Jersey State Public Recreation Bathing Code Revisions (1999, 2009 & 2010)
- Swimming Pool Advisory Force for the Massachusetts Sanitary Amendments
- NSPF “Special Achievement” Award Recipients
- Provided consulting and training for facilities nationwide to include: facility evaluations; safety inspections; development and implementation of operational and maintenance procedures; employee manuals; emergency plans; and intensive training programs for each facility, as well as CPO® certification.

*We guarantee to provide innovative, dynamic & knowledgeable instructors, as well as **FREE** services to our graduates:*

- Consultation and advice by phone and email, limited
- Attendance to any of our scheduled CPO® certification courses for review purposes (not re-certification) with valid CPO® certificate from POM
